EXPERIENCE

Freelance Graphic Designer — *Freelance | 2023 - Present*

- Designed **visual identity systems**, social media campaigns, marketing materials, and logo concepts using Adobe Photoshop and Illustrator.
- Created **photo manipulation**, mockups, and promotional visuals while maintaining consistent **brand guidelines**.
- Produced short promotional videos using Adobe Premiere Pro and motion graphics with Adobe After Effects.
- Managed projects from concept and **art direction** through final delivery.

PROJECTS

Frozen Thunder - Beverage Product Visual — *Personal Project*

- Designed a product-focused advertising visual for a Double Dare energy drink can, set against an icy, frozen backdrop with lemon and blueberry accents.

Controole - Instagram Post Design — *Personal Project*

- Created a gaming-themed social media post centered on a PlayStation controller, built around a bold typographic Controole treatment.

Three-Dimensional Perfume Bottle Design — *Personal Project*

- Designed a 3D perfume bottle mockup and packaging concept for the Supremacy brand, styled with a classical column backdrop. **Visual Identity - Construction Brand** — *Personal Project*
- Developed a visual identity concept including business card and logo application for a construction-industry brand. **Arabic Typography Logo Collection** — *Personal Project*
- Designed a set of Arabic calligraphic logo marks exploring different typographic and print-inspired styles. **Infinite Air - Airline Logo Design** — *Personal Project*
- Designed an airline brand logo built from a flock of airplane silhouettes forming an infinity symbol, paired with custom wordmark typography.
